

# GENERAL INFORMATION ABOUT PHD STUDIES IN ESTONIA

A Master's qualification is required for entry to doctoral studies. The nominal length of doctoral studies in Estonia is 3-4 years, after which a postgraduate research degree may be conferred.

## ENTRY REQUIREMENTS

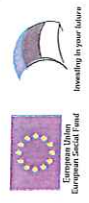

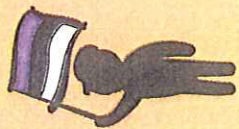

### FOR VISITING PHD STUDENTS

THE FOLLOWING DOCUMENTS ARE USUALLY REQUIRED FOR AN APPLICATION:

- A COMPLETED APPLICATION FORM
- AN ACADEMIC TRANSCRIPT OR CONFIRMATION LETTER FROM THE HOME INSTITUTION
- AN ACADEMIC CV
- A COPY OF AN IDENTIFICATION DOCUMENT
- A STATEMENT OF PURPOSE

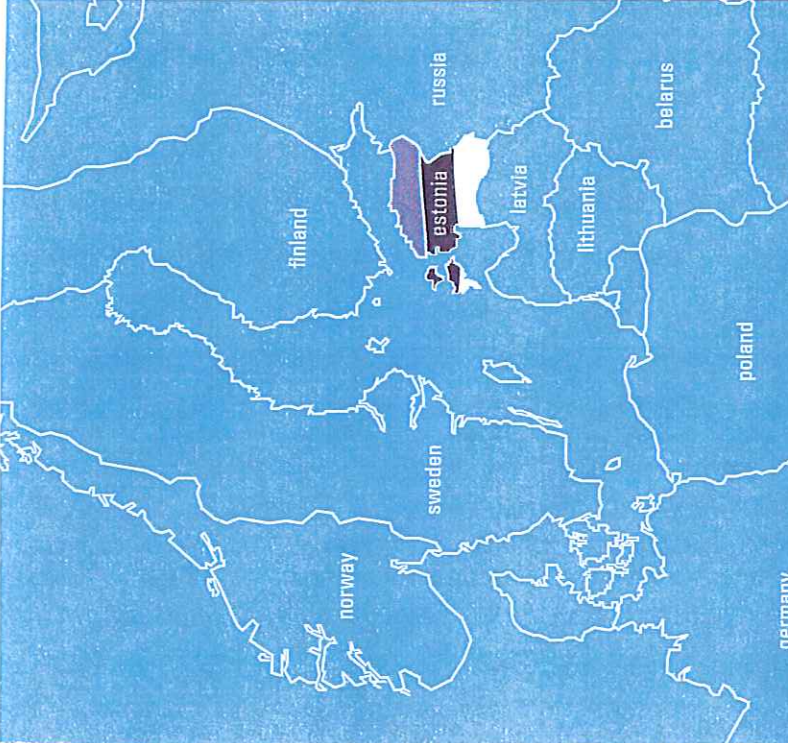

Specific requirements depend on the requirements of the institution of higher education and the particular course.

All prospective visiting students should contact the university they wish to attend for additional information.

# Scholarships for visiting PhD students at Estonian universities

THE SCHOLARSHIPS COVER RESEARCH AND STUDY VISITS OF 1-10 MONTHS BY INTERNATIONAL PHD STUDENTS TO ESTONIAN UNIVERSITIES REGARDLESS OF THE SUBJECT AREA.

## CONTACTS:

All prospective students should contact the university they wish to attend for additional information. More details about the study and research possibilities in Estonia [www.studyinestonia.ee](http://www.studyinestonia.ee)

The support scheme is financed by the European Social Fund under the Doña programme. The programme is run by: Centre for Higher Education Development Archimedes Foundation [phd@archimedes.ee](mailto:phd@archimedes.ee)

We aim to create a development environment that helps to make education and research in Estonia competitive on a global scale.

## ARCHIMEDES

# ELIGIBILITY REQUIREMENTS

## (CANDIDATES MUST:

- reside in a country other than Estonia;
- be enrolled in a doctoral programme at an educational institution recognised by that country's authorities;
- not be enrolled as a student in a higher education institution in Estonia when the application is submitted;
- stay in Estonia during the period for which the scholarship has been granted.

The selection from among the candidates will be made by the host university.

## EACH ELIGIBLE STUDENT WILL RECEIVE:

- a monthly grant of 384 € for the duration of the student's stay at the university;
- a fixed travel grant for one return trip from the student's place of residence to Estonia;
- an additional grant to cover the cost of health insurance for the period spent in Estonia, and the stamp duty on the residence permit;
- a mobility allowance of 256 € per month for each month spent in Estonia that covers only the following costs, which must be fully documented:
  - additional fixed travel grant to cover additional trips home during the academic year;
  - rent, covering temporary accommodation in hostels and hotels, and rent;
  - relocation expenses, such as excess baggage charges or international cargo charges.

The grant for a six-month stay is worth an estimated 4000 € (excluding travel grant).

For detailed information on eligibility requirements, deadlines and application, consult your university in Estonia.
